

Name: _____

WiSe / SoSe 201_

total normal maximum points 84 for work in Modules 5.2, 6.1, and 9.1					
oral achievement maximum total points: 40			written achievement maximum total points: 44		
<i>*geography/history warm up*</i>		topics lesson	<i>*geography/history paper excerpt*</i>		topics paper
		consultations ¹ (optional 3rd session counts double)			
<i>*language</i>		language		<i>*language</i>	
<i>*presentation</i>		presentation		<i>*presentation</i>	
<i>*content</i> _{x2}		content _{x3}		<i>*content</i> _{x2}	
<i>*team work group grade</i>		team work group grade ¹		<i>*group grade</i>	
		use of homework group grade ¹			review submissions (for example: 5)
		maximum total possible 28			maximum total possible 44
group / individual grade as teacher in warm-up review sessions ¹ <i>*not graded normally*</i>					
group grade as teacher in final review session ¹		4 points maximum			
individual grade as teacher in final review session		4 points maximum			
individual grade as student in review sessions ¹		depending on number of review lessons and degree of participation			
individual points for reports on course material		based on number and quality of reports			
individual grade based on participation in OLAT ¹		based on degree of participation			

not graded normally But: Additional bonus points are also possible; for example, students who are justifiably especially proud of their warm-up lessons and corresponding paper excerpts can request bonus points for these normally ungraded tasks by making [appointments to see me](#) and by providing evidence in person (not by email).

¹Grading scale H (honors) = 2 points (*eine hervorragende bis gute Leistung*), P (pass) = 1 point (*eine durchschnittliche bis ausreichende Leistung*), F (fail) = 0 points (*eine ungenügende Leistung*)
 All other grades are based on the scale: H (honors) = 4 points, P+ (strong pass) = 3 points, P (pass) = 2 points, P- (weak pass) = 1 point, F (poor or fail) = 0 points
 x = weighted multiplication factor

70 and above = 1	61-64 = 2+	41-45 = 3+	20-24 = 4+	below 10 = 5
	50-60 = 2	30-40 = 3	10-19 = 4	
65-69 = 1-	45-49 = 2-	25-29 = 3-
